

MISSION EVENT STATEMENT OF POLICIES AND LIMITATIONS

Salt

A place of God's provision for you to come and rest in His arms, experience His comfort and be reminded of His purpose for your life as the salt and light of the earth.

When joining a Salt Mountain Mission Event the following policies and limitations will be in effect. Please read these statements and confirm that you are in agreement.

COST

Salt is a non-profit, tax exempt ministry. To help offset the costs associated with your visit i.e., food, facilities, etc. a \$50 donation per participant, paid in advance of your visit, is greatly appreciated. Your donation will be combined with others received in our general fund for operational costs. The IRS will not allow us to "refund" any donation, therefore in the event of a cancellation Salt cannot return any payments received.

CANCELLATION

If you should need to cancel your scheduled visit, we invite you to re-schedule for another event. Any donation received can be applied to your future visit.

INSURANCE

Each participant in a Mission Event is personally responsible to provide their own respective insurance coverage of any and all types, including but not limited to medical, hospitalization, life, disability, death, lost or stolen personal property, as well as any and all other insurance you may need or desire.
